Facilitators

Paulina Quilla Pakari

Paulina, an Ecuadorian mother, vision quester, & Sun Dancer, is a leader of the Sacred Fire of Itzachilatlan and a healer of the Chakana Altar & Andean Mesa, initiated by Andean elders & adopted by the Shuar community of the Amazon. Founder of Mujeres de Luna & Nuestra Tierra. With a degree as a gestalt psychologist, Andean Doctor & over 20 years working with ancestral plants.

Sandra T.

Sandra, a Peruvian/Dutch queer artist & vision quester, has over ten years of experience supporting ancestral plant ceremonies through translation and music, helping create a safe and inclusive space for participants. She is the co-founder of Nuestra Tierra and founder of Alma Healing Center, both based in Ecuador.

Stacey M Constante

Stacey, an Ecuadorian born in the U.S. and founder of The Nourished Goddess & Alas Unidas Retreats, weaves ancient wisdom & modern medicine to guide women in restoring vitality. A nurse, nutritionist, hormone specialist, ceremonialist, menstrual cycle educator and mother, She has a decade of work rooted in Andean and Fuego Sagrado traditions.

Jacqueline Escobedo

Jackie, a Mexican mother & founder of Toná's Healing Center, has created a sanctuary where ancestral & modern healing practices come together to support deep transformation. As an Emergency Nurse & Women's Circle Facilitator she bridges modern & holistic healing while guiding women to reconnect with their inner power.
